

The 100 Year Regatta

The World Record Breaking Regatta 11th to 13th of August, Ornö & Nynäshamn

This year, 2020, we are attempting to increase our World Record of 2018

We are getting together to manifest the Regatta World Record for yachts 100 years old or older. Last summer, 2019, Gstaad Yacht Club successfully managed to get 20 yachts finishing, but our record from 2018 of 22 yachts still stands.

All Classic Yachts are welcome!

We are sailing in in three classes:

Grand old Ladies – Yachts built before 1920.

Juniors – Yachts built between 1920 and 1980.

Cubs – Yachts built later than 1980
